Speech of Honest Tom Corwin.

Tom Corwin, who has been out of poliities for several years, attricessed his fellow gent reader an expression of surprise at the Douglas' colleague, Judge Trambull, has taken a liberal basis. He goes against the sham by the same means, the Post goes on to speak neness, and common place character of it as a the field, and the two are making sail work with of territorial sovereignty and against the of the late election in St. Louis as follows :

that there should be any more slave states vote more than twice as large as he polled in this Union. He thought it an unforted in 1856, when Reynolds received only 2,nate condition-for his part he would not 113 votes. tim after the fashion set forth in the following by there, and moreover he would say this; to occur before. im after the fashion set forth in the following xtract:

In process of time it was supposed that in the following in after the would say this; to occur octore, be believed the nigger would destroy the white man in his own home, would drive more would have elected Blair. Does any one doubt that four time that number of Kansas would wish to be admitted into the that if a race of white men was to be rais- franchlent votes were counted? Union as a State. Her people, you remem- ed up without labor, with the understand. Is it not apparent that there is some with something, and a bill was prepared in menials. It was a law of God that the corrected, must annihilate it?

from slave territories, which we had ac ard. er republican did not want any more slave

swept the planderers from the state capitol, with the niggers; and they of course would not consent. How then are we to get po-

We had many causes of complaint against Great Britain; but one of the most promisent and paipable was based on her orders in Council, by which our trade with the Gontinent had been most ontrageously har rassed and crippled. These Golders in Council had been repealed before up deslared War, though the fact was suknawa and unsamplested here. Had it been known—in Now Nebuchadnezzar was a tolerably of him.

The New York Eresing Past, has become fully sensible that the preteors of Republican government is a sham, so long as the gosult of about two weeks on the Option of expectation. successful in wiping out the record of his perber of votes, but by the character of the men as well as fanay, in respect to the Queen's mess to believe that he will find an ample field for a position independent of party, but agrees polls. After alinding to the fact that Wood rage. An initaliment of it came first, and in the exercise of all the giant qualities for which in the main with the republican party, and was twice elected Mayor of New York by

> that no more slave states shall be silmitted in the district. Blair only received 506 to the Union We quote several of the more votes than at the election in 1856, while the American candidate received but 109 more, making together 615 votes, and leaving the gain of 4,966 by the Administration candidate to be accounted for—a

have a servile population in any state in Now, no one believes in such an increase this Union, where white men could live and in the democratic vote in St. Louis district, it more difficult to meet than when dropped work; but he did not consider himself more especially as it was attended with no from the quivering lips of the Senator from Pennsylvania. He cannot but prove an overmatch for Senator Donglas on his favorite squatter sovereignty theme, when he impales his vic- all our territories, without introducing slave- fection from some quarter was never known

that bill. Among others an amendment was offered by Mr. Toombs, of Georgia, and that bill subsequently passed the Sontile energy of the two countries.

It is a triumph more glorious, because far ate. Now, fellow citizens, I make the distance of the manufacture of the distance of the distance of the manufacture of the manufacture of the distance of the manufacture of the man more useful to markind than was ever wor by conquerer on the field of battle.
